
Humbleyard Practice and Mulbarton Surgery Briefing

Date & time: Monday 21 Oct 2024, 6:30PM

Place: Mulbarton Social Club, Mulbarton Village Hall

Humbleyard Practice and Mulbarton Surgery is working hard to overcome the challenges facing general practice in general and the Practice specifically. Part of this recovery programme is working with patients and carers to help understand frustrations and to communicate what actions are being taken to make improvements.

The Practice is taking this opportunity to brief parishioners and take questions. All are welcome to attend.
