

# Mulbarton Parish Council

## Clerk's Report

### January 2023

#### Items not on the agenda (information only)

Louis Kaszczak and the clerk are reviewing the BT agreement and are working with the Village Hall to consider other options.

#### Items on the agenda

Item 6: Letter from pupils at Mulbarton Primary School in relation to solar farms

Councillors have received a letter from pupils at Mulbarton Primary School and they would like to know;

1. What councillors think about the solar farm at Bloy's Farm?
2. Do councillors know how many solar panels there are going to be?
3. How many solar farms do councillors think there should be in the country?

Item 11: The Common Steering Group

The Common Steering Group met on 1 February and a report will follow.

Item 12: Open Spaces and Play Areas

The OS&PA group met the clerk and agreed a list of actions required to improve the play areas. The clerk will be ordering small maintenance items and arranging for quotes on larger costs. The working group will be arranging working sessions to start the repairs and maintenance. If this is something you would be able to help with or would like more information, contact the clerk.

Item 13: Public Rights of Way

Dennis Wells has reported the gates at The Meadows are being held closed by cord loops rather than the fastening mechanisms.

Item 22: Strategy setting

The council met in January as part of a strategy setting session. They will meet again to discuss ideas before the strategy is agreed at a council meeting.
